Re: LETTER OF SUPPORT

To whom it may concern:

Sunset is a Federally Qualified Community Health Center providing primary health and dental care services to uninsured and underserved patients in Yuma County Arizona. Sunset is the largest safety net provider in Yuma County and without the services they provide many would have no place to go other than the high cost Emergency Room at the local hospital.

Sunset Community Health Center supports Medicaid Expansion in Arizona.

Respectfully submitted,

David Rogers
Chief Executive Officer
Sunset Community Health Center
